

SINAI NJ STUDENT ART SHOW

Unique Inspirations

SUNDAY, MAY 4, 2025

Welcome to **SINAI Schools' Unique Inspirations Student Art Show**, generously sponsored by **Bear Givers**.

Operating special education schools across the New York metropolitan region, SINAI Schools is widely regarded as one of the country's leading Jewish schools for children with complex learning or developmental disabilities whose needs cannot be met in a regular education setting.

Art therapy is an amazing tool to help children understand, express, and cope with the challenges they encounter. With the encouragement and guidance of art therapists **Sarah Tarzik** and **Esther Savetsky**, the children of SINAI Schools have used a variety of materials to produce the inspiring artwork you see here today. Each piece is a unique expression of using art to empower, to communicate, and to visualize.

We gratefully acknowledge the **Paley-Mironov Art Therapy Program at SINAI Schools**, which is made possible through the generosity of Steven and Laura Paley and Michael Mironov and provides an alternative means for the students to express themselves. All of the student artwork you see here today is the product of this unique therapy program.

This exhibit is a development of the EmpowerArt program created by **Bear Givers**, a New York-based organization that provides children in need with opportunities to feel the pride and joy of engaging in acts of kindness and generosity. The EmpowerArt Program gives children with disabilities, or in hospitals, an opportunity to express their creativity and showcase their artwork in a professional gallery setting with art shows that benefit their schools, hospitals, or programs. The children's experience is positive and empowering. They feel validated, confident, and proud. It is an exciting feeling for them to see their work being shown and purchased, and this is furthered by the knowledge that they are raising funds for their organization.
