

SINAI @ SAR STUDENT ART SHOW

Unique Inspirations

TUESDAY, MAY 12, 2026

Welcome to **SINAI Schools' *Unique Inspirations Student Art Show***, generously sponsored by **Bear Givers**.

Art therapy is an amazing tool to help children understand, express, and cope with the challenges they encounter. With the encouragement and guidance of art therapist **Tzipora Silberman**, the children of SINAI Schools have used a variety of materials to produce the inspiring artwork you see here today.

We gratefully acknowledge the **Paley-Mironov Art Therapy Program at SINAI Schools**, which is made possible through the generosity of Steven and Laura Paley and Michael Mironov and provides an alternative means for the students to express themselves. All of the student artwork you see here today is the product of this unique therapy program.

This exhibit is a development of the EmpowerArt program created by **Bear Givers**, a New York-based organization that provides children in need with opportunities to feel the pride and joy of engaging in acts of kindness and generosity. The EmpowerArt Program gives children with disabilities, or in hospitals, an opportunity to express their creativity and showcase their artwork in a professional gallery setting with art shows that benefit their schools, hospitals, or programs. It is an exciting feeling for them to see their work being shown and purchased, and this is furthered by the knowledge that they are raising funds for their organization.
